

February 19, 1946

The meeting was called to order by the president, and the minutes of the February 12 and February 16 meetings were read and approved.

Oster moved that Central Board recommend to the Alumni Challenge Athletic Field Corporation that they lease an area of land, approximately        x        on the northeast corner of the student golf course tract to the University for the purpose of installing 124 family dwelling units thereon, the lease to run as long as the housing facilities are required for university students. Brome seconded, and the motion passed.

Oster moved that the terms of the lease be based upon the students receiving fifty per cent of the gross ground rental at \$15 per family unit per year, as provided in the contract between the FPHA and the University, until the cost to the University of preparing the site be amortized; and, following that time, the students shall receive the full ground rental. Murphey seconded, and the motion passed.

Davis moved that Central Board approve the appointment of Arnold Riven as associate editor of the Kaimin, as recommended by Publications Board. Brome seconded, and the motion passed.

The following recommendation was submitted to Central Board by the Budget and Finance Committee:

"The Budget and Finance Committee recommends to Central Board that the Associated Students buy ~~2,900~~ 1,600 seats from the Community Concert Association at an overall cost of \$4,980.00, to include 1400 seats for regular students and the 200 seats the Association anticipated selling to G. I. wives. Tickets for these programs will be placed on sale next fall so that the students may have the option of buying an admission at a reduced price to either individual programs or for the season." This problem will be taken up at a special meeting of Central Board tentatively scheduled for Thursday, February 21.

Meeting adjourned.
